OPERATIONAL PLANNING

(12 CONT.) PAGAF Informed Fifth Air Force of the possibility that FACCK C-130 aircraft might be withdrawn to support CINCIANT contingency plans.

(Nesseys FACAF to 5AF, 13AF, 315AD, DTG 24/09422 repeating message CINCIANT to militiple addressees, DTG 20/22322). A subsequent message repeated the possibility, and pointed out that the maintenance of SIOP posture might require severe curtailment of present theater air support for Southeast Asia and Korea. (Message FACAF to 5AF, 13AF, 315AD, DTG 24/03/442 repeating CINCIAN message to multiple addressees, DTG 2319552). Immediately following, another message stated that FACAF could deploy 42 of the 58 C-130 aircraft currently possessed without maintenance standsom, and could deploy ten more within 72 hours. This would require adjustment of strike times to account for delays, would necessitate other adjustments in relation to airlift, training, and maintenance. (Message PACAF to 5AF, 13AF, CINCIAC, PFOCO-562-1175, DTG 24/03452 Oct 62).

COMBAT FORCES

Fifth Air Force ordered the move of six F-102 aircraft to Osan immediately. (Message 5AF to 4LAD, 5AFOC 2-24-10, DRU 24/0211Z Oct 62). The aircraft departed Yekota 24/0318Z for Osan, ETA 24/0458Z Oct 62. (Message, 4LAD to 5AF, 4LDOC 10-24-1, LTG 24/043ZZ Oct 62).

RECOGNALSSANCE AND INTELLIGENCE

Fifth Air Force Intelligence (SFIES) began the production of the DistR, in accordance with PAGAF directives. This was an all-source report, and was continued daily, the last DIStR submitted on 28 November 1962.

PAGAF relayed the following information to Fifth Air Force:

MATS stated that its total military capacity was already committed to JOS

and USAF-directed commitments; that diversion of HATS aircraft (to replace
possible less of C-130 aircraft from PAGAF resources) would require JOS approval. (Mosgage PAGAF to 315AD, 5AF, 13AF, DTG 2600042 Oct 62, repeating
CINCFAC massage to multiple addressees, DTG 25/21302, which repeats MATS
message to CINCFAC, NFC/ICC 2677K, DTG 24/13502 Oct 62).

COMBAT FORCES

Fifth Air Force advised PACAF that tactical forces of 5AF deployed consisted of Project Able, Mable, Quick Strike (Korea), and six F-102s at Osan for air defense. (Message 5AF to PAGAF, 5FGGS/5FAGG 62-2727,

OPERATIONAL FLAMMING

Fifth Air Force relayed to its units the possibility of withdrawal of all 315AD C-120 aircraft to support CHRCLAFT contingency plans, which, if actualized, would soan that the C-130s would be out of CINCRAC - josture for 20 to 30 days.

(Fessage 5AF to multiple addressees,

5FMIP 62-2764, DTG 30/0610Z Oct 62).

Fifth Air Force informed FACAF that the use of Fifth Air Force C-54/C-47 aircraft had been considered by 5AF and 315AD, a determination having been made that remaining 315AD-controlled aircraft would satisfy routino requirements of current deployment and initial GMP effort. Some Squirrel Nest missions were consolidated, and High Gear follow-on missions had been revised to some extent. (Nessage 5AF to FACAF, SFIIF 62-2765, FIG 30/06152 Oct 62).

PAGAF reduced air defense fighter alert status to two on fiveminute alert, two on 30-minute alert, the remainder on one hour alert, to apply to all Fifth Air Force fighter-interceptor units. (Nessage PAGAF to SAF, FFCCO-S-62-1200, DEC 03/2315Z Nov 62).

RECONNAISSANCE AND INTELLIGENCE

Fifth Air Force relayed to 39AD, 313AD, and 18TFM the information that Tactical Air Command (TAC) had expressed a requirement for "y Tiger aircraft. (Information passed to 5AF from FACAF by telecon, DTG not determined, probably approximately 03/05002 Nov 62). Fifth Air Force told its units that it would exchange three AF-101s assigned to 15TRS plus one at

33

Ogdon being repaired for four TAC RF-101 Cocca models. Fifth Air Force ordered redejloyment of two 15785 Toy Tiger aircraft located at Don Muang to Kadena, to depart Don Muang upon arrival of replacement aircraft from the 39AD. Fifth Air Force also ordered dispatch of one RF-101 pilot to Show AFB to ferry the fourth TAC aircraft to Kadena. (Message 5AF to 39AD, 313AD, 18TFW, 5AFOC 3-3-11, DTG 03/06272 Nov 62). PACAF requested Fifth Air Force to redeploy the Toy Tiger aircraft to Kadena immediately, provided all four Ahle Mable aircraft were in commission, and without necessarily awaiting arrival of replacements. Fifth Air Force informed all 5AF units that reduced alert was authorized. (Message 5AF to multiple addressees, 5AFOC 11-4-11, DTG 04/1411Z Nov 62).

(Second) Fifth Air Force received information from TAC that the 5227FS, designated Lina Mike 3, was assigned to priority duties involving the Cuban crisis. It was deemed inadvisable to rotate the squadron and consequently the 20TFS would be extended in its location thru 30 Nov 62. (20TFS was located at Takhli, Thailand). (Message TAC to multiple addressees, DCFL-FC 2-12124, DNG 04/2032Z Nov 62).

RECONNAISSANCE AND INTELLIGENCE

Fifth Air Force informed FAGAF that two aircraft had been launched from the 45TRS at 03/22302 for Don Muang. Only two Able Mable aircraft were involved in the Toy Tiger exchange. (Message 5AF to PAGAF, 5F00T-0-T/5AF0C 2-4-11, DTG 04/01532).

PACAF requested immediate shipment by fastost means possible of two K-45 cameras and associated gear but not illuminators, to MacDill AFS, marked for 363TEM. (Message PACAF to 5AF and others, PFMSS 234-2, DTG 04/0146Z Nov 62).
